

ARTISTS in ACTION

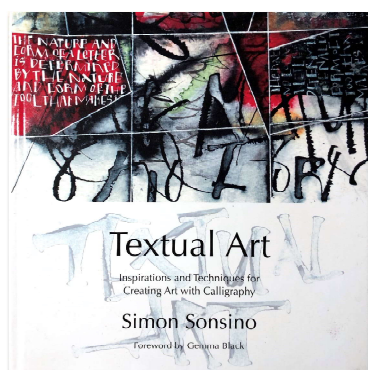

Simon Sonsino

Simon Sonsino is a British calligrapher, textual artist and international selling author who specialises in abstract expressionist art using calligraphy and all aspects of letterform.

Textual Art highlights just one aspect of his creative output, as together with his wife Yvonne, he recently took over Ardington School in Oxfordshire which provides an outlet for a wide range of Arts & Crafts workshops. He now teaches Textual Art at the school. Simon also works alongside local artists to help introduce letterform into their chosen medium, such as textiles and clay.

Following the great success of his first book *Textual Art* (2015) he is currently working on his second book *Textual Art 2: Impact & Intrigue*

Because of his unique style and approach, Simon is regularly called on as a demonstrator, speaker and workshop leader, notably for the largest arts festival of its kind in Europe: **Art In Action (2015 & 2016)**
